

### 1) Read

One of the major recent achievements in sustainability has been the **adoption of Agenda 2030 and the Sustainable Development Goals**. The Sustainable Development Goals are a series of measures to end poverty, protect the planet and ensure the global well-being of human beings. 193 countries adopted the 2030 Agenda, that sets out the **Sustainable Development Goals**, a new horizon with the most pressing challenges for human beings in the coming years. These are seventeen goals that require the collaboration of civil

**society and the public and private sectors**, whose success means a more egalitarian and livable world.

**2) A) Do some research and read more about sustainable development and the Sustainable Development Goals.**

**B) Choose one of the goals and create a poster that includes easy tips that we can do at school or at home to help achieve these goals. To make the poster you can use <https://spark.adobe.com/make/posters/>, <https://es.postermywall.com>, <https://www.genial.ly/>, or any software you like.**
